

## Keyclub of Aruba announces that “Prom ta bek!”

The President of the Key Club, John Maduro, joined with other board members at the Colegio Arubano to announce that they will be holding a gala prom this year at the Renaissance Convention Center on Saturday, June 23.

It has been two years since the youth branch of the Kiwanis conducted a prom, and this year the theme is “A Safari through Africa.”

The prom will feature top island DJ’s from Miniteca Genie and Exide, and popular bands Basic One, Tsunami and Honey Pot.

Tickets are now on sale from Key Club members and at Trash by Ronchi and Monalisa shops. The cost is twenty-five Arubian florins for individual tickets, and forty florins for couple tickets, of which there is a limited supply.

The prom will take place from 8:00 P.M. until 2:00 A.M, and Key Club members promise fun and excitement at this popular event. They invite all school students to join them for the end of the school year celebration.
